

## FILING CATALOG

The filing catalog filmed on the following frames is included here for its cross-reference value rather than as an index to the materials of the indicated year. Although the order of the topics or subjects is approximately the same in this micro-film publication as indicated by the filing catalog, materials apparently were never filed under some classifications, and other materials have been removed from the main file and consequently will be filmed in separate series of this publication.

The Editor

1944  
TOPICS UNDER WHICH  
CURRENT MATERIAL IS COLLECTED AND FILED BY  
THE DEPARTMENT OF RECORDS AND RESEARCH  
TUSKEGEE INSTITUTE, ALABAMA
